Introduction

Coral Shipping Agency (CSA) was established in 2009 with a bunch of professionals to provide specialized freight forwarding services globally; today we are providing service to numerous major international and local companies. With our city and port-side warehousing facilities, CSA offers temporary and long-term storage, Consolidation / De- Consolidation, Multimode transportation and Repacking for Sea and Air Freighting.

Together with our network of Transportation, Stevedoring, Customs and Cargo handling offices and affiliates, we offer our customers a full, seamless and reliable range of Total logistic Solutions, LCL, Consolidation, Air Freight, Customs Clearance, Supply Chain Solutions, Multimode services, Logistic Services, Transshipment and Re-Exporting Services.

Mission and Vision

A Clear Mission... for a Global Vision.

Vision

Building on our commitment to outstanding customer service quality and the ambition to maintain a comprehensive, fast, and reliable shipping service, CSA strives to achieve its vision of “Linking the Pakistan to the World” as a secure and efficient shipping services provider.

Mission

At CSA, we believe in long-term growth plans that optimize efficiency, security, capacity, quality, and service. No matter what the circumstances, we do our best to satisfy our customers and reach our targets.

- ***CSA shall be the Shipping Line of choice serving the Karachi and complementary Trade Lanes by:***

Delivering client satisfaction through outstanding customer relationship and quality service
Providing a comprehensive, reliable and fast shipping network

- ***CSA shall be profitable:***

To maximize return on investment and to allow for growth

- ***CSA shall be an employer of choice attracting, developing and retaining the right talent:***

In the industry at large, also providing opportunities for qualified nationals from the Shareholding States

- ***CSA shall be the Partner of choice:***

To other Industry participants to its vendors and agents

- **CSA shall promote safety, security and environmental protection both at sea and ashore.**

Our Aim

A Company with Global Vision... Our aim is to offer a concept globally, against competitive rates and a steadfast, professional and first-class service specializing in Ocean, Airfreight, Rail or Road transportation. The globalization and consolidation of our industry is a must towards our customers.

Who are we?

We Are a team of dedicated professional staff that provides state of the art solutions using IT to streamline operational efficiency and full shipment visibility.

Our office and crew are experience in handling irregular assignments like Project cargo, Special cargo handling, off size and overweight cargo, handling by road and transfer at sea or ship delivery services. Coral Shipping Agency operates weekly and Daily services between main world ports and Airports like Singapore, Gulf sectors, India, Colombo, Malaysia, Europe, USA, China. Our specialized staff providing personal understanding of customer needs. We will make every effort to provide customized door to door solutions to match your every need.

Sea Freight

Coral Shipping Agency can handle all your Sea Freight requirements worldwide, we offer our customers a wide range of flexible services to suit your needs.

Consolidation

We are specialized in consolidation market and introduced product to provide one step delivery order, competitive ocean freight rates and no involvement of double endorsements due our own weekly Import consolidation from Far East, Europe, India, USA (East Coast), Dubai, Hong Kong and China. We assure one step delivery order to our all valued customers. List of ports can be provided on request from where we are serving to our valued customer.

Our Sea Freight services not only include standard full-container load (FCL) and less-than-container load (LCL) shipments but also include Break Bulk, Roll-on Roll-off (RORO), Project and Heavy Lift Cargo as well as charter vessel services.

By utilizing our Shipping line contracts with all major shipping lines, CSA offers competitive pricing with excellent space commitments and multiple arrival and departure options to match your requirements.

Our global network of agents provides you with a complete worldwide transport and distribution solution. We have direct routings or deferred options to suit your requirements.

Air Freight

Coral Shipping Agency offers comprehensive range of services for exporting and importing freight by air. CSA airfreight operations are very experienced and fully equipped to cover your requirements to and from anywhere in the world.

We are supported by a global network of agents selected for their expertise in airfreight operations. Through our worldwide agents we shall always keep you informed of your freight movements through excellent communication, providing timely and accurate notice of arrivals to ensuring the earliest possible Customs Clearance and delivery of your goods.

CSA always strives to provide a quick and cost-effective air freight solution our staffs are trained to provide a variety of options including transit time and cost requirements to determine the most suitable method of air freight.

At CSA, we carefully selected top notch airlines, providing global coverage to meet your shipment deadlines

Custom Clearance

Another important aspect of the freight forwarding business is custom clearances, especially in countries with strict customs and excise laws. Lack of knowledge regarding local customs regulations and improper handling of customs documentation can cause havoc to the supply chain resulting in major losses and legal wrangles.

CSA pays special attention to all the details involved in the customs clearance process both national and international and ensures its customs department is constantly updated regarding new laws and regulations

The salient feature of custom clearance services includes: Customs Documentation.
Carting / Receiving Goods. Inspection of Shipments.
Handling of stuffing & de-stuffing at Ports, Customers warehouse

Door to Door Service

Coral Shipping Agency provides a port-to-door and door-to-door delivery solutions for customers who want to simplify logistics management, reduce costs, and minimize the risk of loss or product damage.

By leveraging the breadth and reliability of our global network, we can remove days from your supply chain, delivering goods from overseas directly to your customers' locations. Based on your customized requirements, your packages can be directly delivered to the customer in the destination country after following arrival and customs clearance procedures.

The Salient features of our Door-to-Door delivery services include:

1. Port-to-door and door-to-door service from shipper to consignee
2. Integrated service includes carton labeling, freight transportation and package delivery services
3. Streamlines processes by eliminating issues with multiple carrier bills
4. Consolidated customs clearance

We will deliver your cargo to any port around the world. CSA will load and ship your cars, boats, and heavy equipment, Textile, cargo of any legal kind.

We provide RORO, containerized cargo shipping and the processing of your goods in ports, railways and customs warehouses. We provide the very best in personalized, fast and reliable service to each of our customers; and, you can trust us to make your business our number one priority.

Hazardous Materials

Carefully transport your hazardous material, with the most favorable terms.

NVOCC

Coral Shipping Agency is also running their own SOC as well other NVO containers from different origins to Karachi and vice versa.

Container Trading

Coral Shipping Agency is also involved in trading field and selling and purchasing the dry and refurbish containers.
